The Process of Selection:

Each year in January, the President of the South Haven Steelheaders appoints a 3-5 person committee to process applications and select a recipient(s).

The amount of the scholarship will be \$500 (or other amount as determined by a majority vote of the members in attendance at a regular meeting).

All applications that meet the criteria and are postmarked no later than May 15 will be considered.

The committee will review each application in the light of the selection criteria, develop a scoring system based on the application information and selection criteria, and select the recipient(s) to be announced at the regular June meeting of the South Haven Steelheaders.

Decisions of the committee are final.
